PRODUCT CATALOGUE

ABOUT COMPANY

Cadiz is our venture in the field of new pharmaceutical formulations with an ultra modern production facility supported by state-of-art-machinery & fully equipped analytical laboratories for careful selection of raw material inputs & meticulous testing of in process and finished products. Our quest for innovative and quality healthcare within the affordable limits is a testimonials to our respect for certain principles and our priority granted to quality life of people, helping them enjoy a longer, healthier and more productive life.

Our prime corporate strength lies in the priority granted to the quality of our human relations within the group and in the frame work relations with customers & business alliances with the mission to develop a successful & dedicated company we launched Cadiz with super speciality products in different segments available in the form of Tablet, Capsule, Liquid, Cream & Ointments, Lotion, Oil, Powder, Juice, Soap & Cosmetic etc. in attractive & international Packaging.

QUALITY VISION

Quality is the main objective of CADIZ products are manufactured using ultra modern manufacturing facilities & observing the highest level of international quality norms & international standard certifications such as WHO, GMP ISO 9001:2008 & Schedule-T etc. Our quality is acknowledged at international level. Our motto is to serve the mankind with highly effective formulations with dual action of curative function with preventive effect.

MARKETING STRENGTH

Headed and represented by a team of skilled marketing experts. Our quest is to establish a strong marketing network of relatively large, dedicated & aggressive professional force, enabling extensive network with our customers. International exports have been our consistent passion. Frontiers have never been a limitation to our vision & we are constantly exploring the potential of domestic & international markets with dynamic & aggressive marketing strategies enabling us to penetrate areas far and near.

**Healthy + Healthy = Happy
Body + Mind = Life**

Mr. Neeraj Agarwal
Proprietor

CADIZ LIFESCIENCE

Pain & Fever Management

Pain & Fever relief treatments help to reduce pain, Fever and aches. Our pain relief medication works better on sore muscles, headaches, arthritis & Fever.

Antibiotics

Antibiotic medicines are used to cure germs infections. Our antibiotic medicines kills germ or bacteria and make them less effective, so infections reduce on their own.

Cardiac Care

We have wide range of Capsules for taking care of cardiac health. Most people suffering from heart disease are benefitting with our high quality medicines.

Digestive Enzymes

Our body could not digest food properly without sufficient digestive enzymes.. We have digestive enzyme syrups, it helps break down food larger molecules into smaller molecules to absorb by small intestine.

Diabetic Care

Our Diabetes medication help to lower your risk for heart attack, stroke and kidney damage by managing blood glucose, blood pressure and cholesterol levels in your body.

Multivitamins

Our multivitamins help to treat or prevent vitamin deficiency due to poor diet, certain illnesses. Vitamins are important building blocks of the body and help keep you in good health.

Neurology Care

Nervous system is regulator and coordinator of all our body activities. Our Neurology care medication cure most disorders and prevent affecting nerves, spinal cord and brain.

Anti-Allergic | Anti-cold

Our Anti Allergic/Anti cold medicines Help to Protect from cold, flu, allergies, or other breathing illnesses. Antihistamines help relieve watery eyes, itchy eyes/nose/throat, runny nose, and sneezing.

Aphrodisiac Care

Our aphrodisiac is a substance that increases sexual desire, sexual pleasure, or sexual behavior.

**Medicine is a Science of uncertainty
and an art of probability**
